#### How to purchase a bus pass

You can purchase a bus pass with cash (Japanese yen) at the counters listed below. No application nor reservation in advance is required.

- ① Shimanto City Tourism Association (next to Nakamura Sta.)
- ② Shimanto Travel (inside Nakamura Sta.)
- ③ Sukumo City Tourism Association (inside Sukumo Sta.)
- ④ Kochi Seinan Kotsu Corporation Headquarters Office

Refer to the map on page 2

**Conditions of Use** Foreign tourists visiting Japan for a short-term stay

3,000 yen for 3 days (half price for children between 6 and 12 years old)  
3,500 yen for 5 days

#### Conditions of Use

1. SHIMANTO ASHIZURI Bus Pass (hereafter, "Bus Pass") is valid only for the person whose name appears on the Bus Pass for its validity period. The person whose name appears on the Bus Pass must be a foreigner visiting Japan with a short-stay visa. 2. Show your Bus Pass to a driver/busman when you get on the Sightseeing Tour Bus (Shimanto-Ashizuri Bus) and Shimanto River Bus or when you get off of other city buses. Note that, when you use a city bus with a numbered ticket system, make sure to take one upon getting on the bus. 3. You must carry your passport with you during your travel using your Bus Pass, which you must present upon request from a busman/driver. 4. This Bus Pass allows you to use bus services, including the Sightseeing Tour Bus (Shimanto-Ashizuri Bus), Shimanto River Bus, and city buses operated by Kochi Seinan Kotsu (which are listed on page 2), at any time during the validity period of your Bus Pass. Note that the Bus Pass is not valid for expressway buses bound for Kyoto, Tokyo, and Kochi, nor Nakamura machi-buses. 5. In case of a lost or stolen Bus Pass, it will not be reissued. 6. No refund will be given when bus services are not available due to natural disasters or other reasons during the validity period of your Bus Pass. You cannot extend the validity period of your Bus Pass. 7. No refund will be given after the beginning of the validity period of your Bus Pass. Refunds will be given only when it is before the beginning of the validity period of your Bus Pass and there is a request to cancel it at a place where your Bus Pass was issued/purchased. In this case, the refund will be a price after subtracting a cancellation fee of 500 yen from the price you paid for your Bus Pass (Japanese yen). If you used your credit card to purchase your Bus Pass in Japan, the refund will be only available at limited locations. 8. If you use your Bus Pass in violation of the Conditions of Use, your Bus Pass will be considered invalid and confiscated and you will be charged 5,000 Japanese yen.

\*Please note that this Bus Pass is subjected to discontinuation or change without notice.

\*The information above is as of March 2020 and is subjected to change without notice; however, there will be no compensation, such as refund, due to any change.

Use Google Map to check the city bus schedule!

Once you arrive at Nakamura with your ALL SHIKOKU Rail Pass, visit Cape Ashizuri! The Bus Pass offers you a good deal and convenience.

## 1 Cape Ashizuri

Located at the southernmost point of Shikoku, it has an observatory at the cape sticking out into the Pacific Ocean, which offers a 270-degree view of the horizon, making you realize that the globe is round.

## 2 Tatsukushi, Minokoshi Kaigan Coast

Along the coast of this ocean area with Japan's first national underwater park, you can see various patterns on strange-shaped rocks, which were created from strata from the ancient days by wind and waves.

## 3 Glass-bottom boat

You can closely see the underwater world with one of the biggest shikoro coral colonies in Japan along with tropical fish as well as strange-shaped rocks.

# Sightseeing Tour Bus, Shimanto-Ashizuri Bus

You can enjoy the whole area of Ashizuri-Uwakai National Park along with the Shimanto River in 2 days!  
You can also enjoy the area efficiently even in 1 day.

Days with the service available

(based on the date of departure)

● Every Saturday and Sunday and holidays as well as everyday during the specified periods in April, May, July, August, December, January, and March. For information on the specified periods, please check the website.

\*For the 2-day Course, the service will be available on the next day after a holiday (Day 2) destined for Ashizuri, Tatsukushi, and Kashiwajima.

\*Reservation required.

3 courses are available: ①2-day Course, ②1-day Course, ③Half-day Course

Benefits

You can use the facilities you visit on the tour for discount prices.

## ① Shimanto-Ashizuri 2-day Course (Day 1) ③ Shimanto Half-day Course

13:30	Nakamura Sta.	
13:40	Shimanto River Gakuyu-kan	You can learn at the museum exhibiting nature of the Shimanto River as well as enjoying dragonflies and flowers in nature
14:35		
14:55	Shimanto River Sightseeing Boat	*In case of cancellation of the boat service, you will walk around the low-water crossing and visit the observatory
16:05		
16:30	Shimanto City Hall	*If you are staying in Shimanto City, get off the bus here
16:35	Nakamura Sta.	*For the 2-day Course, you can choose one of the hotels in Shimanto City or Ashizuri Onsen-kyo Village
17:30	④ Ashizuri Onsen-kyo Village	There are a variety of hotels and minshuku (guesthouses)

## ① Osaka Aquarium Kaiyukan Iburi Center

This facility collects, rears and studies creatures on display at Osaka Aquarium Kaiyukan. You can watch whale sharks swimming around.

## ② Kochi Prefectural Ashizuri Aquarium

This facility uses the latest technologies for the exhibition of unique marine creatures of the Tatsukushi Area, including sea slugs, which are so colorful and beautiful that people call them "jewelry of the ocean."

## ③ Ashizuri Underwater Observation Tower

There is an underwater observation tower which offers a tour 7 meters underwater. Enjoy watching fish swimming freely.

## ④ Ashizuri Onsen-kyo Village

Ashizuri has open-air baths where you can enjoy soaking in hot water while seeing the grand view of the Pacific Ocean. An observatory standing in nature, connecting Milky Way, a clear stream in the sky, and the Shimanto River, a clear stream on the ground.

## ⑤ Kashiwajima

One of the best diving spots in Japan, with such a high clarity of water that it looks like a boat is floating in the air, where more than 1,100 kinds of fish, the highest number in Japan, have been observed.
